SOUTH DAKOTA HARDY SEED IS UNSURPASSED

Field Crop Seeds

FEBRUARY 2, 1948

Wheat

MIDA WHEAT is a rust resistant, high-yielding spring variety. It is a bearded wheat, high in protein, and has a strong straw.

\$3.30 per bu. 10 bushel or more @ \$3.25

PILOT WHEAT, a bearded, rust resistant, non-shattering variety. It is a good yielder.

\$3.20 per bu. 10 bushel or more @ \$3.15

DURUM WHEAT is being planted in larger quantities each year. Producers claim that it is the surest crop of wheat that can be raised.

\$3.15 per bu. 10 bushel or more @ \$3.10

THATCHER WHEAT is a beardless variety. It is resistant to both leaf and stem rust.

\$3.15 per bu. 10 bushel or more @ \$3.10

Barley

CERTIFIED FEEBAR BARLEY a new early maturing strong straw, drouth resistant, feed barley. Results last year were very good.

Price per bushel \$3.75

SPARTAN BARLEY, an early maturing smooth-awn, 2 row barley with a strong straw. Feed type.

\$2.45 per bu. 10 bushel or more @ \$2.40

CERTIFIED MONTCALM, newest, high-yielding, malting type. N. Dak., experimental station reports it outyielded all other varieties.

Strong straw and smooth bearded.

Price per bushel \$8.75

WISCONSIN No. 38 is a heavy yielding, 6 row, malting type.

\$3.00 per bu. 10 bushel or more @ \$2.95

KINDRED BARLEY, is a bearded, 6 row, barley of high malting quality adapted to this part of the country.

\$3.15 per bu. 10 bushel or more @ \$3.10

Flax

CERTIFIED KOTO FLAX is the most widely adapted of all flax varieties. Wilt and rust resistant. Has been outyielding other varieties from 4 to 12 bushels per acre.

Price per bushel \$12.75

ARROW FLAX has recently been released by the State of Montana. Rust resistant with a higher yielding ability.

Price per bushel \$9.75

RED WING FLAX Price per bushel \$8.00
BISON FLAX Price per bushel \$8.00

U. S. D. A. announces support price of \$6.00 per bushel, basis Minneapolis, again this year. This will mean a large demand for flax seed. Please place your orders promptly.

Oats

NEW! CLINTON OATS CERTIFIED BLUE TAG

1. Resistant to stem and leaf rust.
2. Resistant to blight and root-rot disease.
3. Has the stiffest straw of any variety available, therefore, a good oats for combining.
4. Has a higher yielding ability, kernels are plump and more valuable for feeding.

Be sure to place your order early

\$3.10 per bu. 10 bushel or more @ \$3.00

BUNKER OATS is a high-yielding, early oats. Due to its early maturity it often times escapes drouth and grasshoppers, and makes a crop when others fail.

\$1.75 per bu. 10 bushel or more @ \$1.70

BOONE OATS has proven to be one of the most successful varieties to be developed the past few years. It is an early yellow oat which has a short strong straw, and is resistant to most known races of rust and smut.

\$1.55 per bu. 10 bushel or more @ \$1.50

GOPHER OATS an early variety and good yielder
\$1.55 per bu. 10 bushel or more \$1.50

LLENROC OATS is a heavy yielding variety that has been grown in this vicinity the past few years with fine results.

\$1.75 per bu. 10 bushel or more @ \$1.70

Rye

FALL RYE

\$2.95 per bu. 10 bushel or more @ \$2.90

Speltz

SPELTZ Price per bushel \$3.25

DU PONT SEED DISINFECTANTS

NEW IMPROVED CERESAN to control smut and other seed-borne diseases on wheat, oats-barley, flax, and sorghum seeds. 1-lb treats 32 bushel of grain.

1-lb .90¢ 4-lbs \$3.00

SEMESAN Jr. for seed corn. Helps protect seed against rotting in the soil, checks forms of blight and root rot. Improves the germination.

1 1/2 oz. .17¢ 12 oz. .62¢

SEMESAN BEL Used to treat seed potatoes for dry rot and scab.

2 oz. .35¢ 1-lb \$1.83

DISCLAIMER: McMahon Co. Inc., Gives no warranty expressed or implied as to the productiveness of any seeds it sells, and will not be in any way responsible for the crop. Our liability, in all instances, is limited to the purchase price of the seed.

"Registered Brands"**Field Seeds**

All seeds are tested and tagged in compliance with the State seed laws

Alfalfa

Our alfalfa seed, listed below, is all Northern grown. It was grown in Western South Dakota, Wyoming and Montana. This is the hardiest seed available. Free samples upon request. Let us fill your orders early.

Prices on sexed chicks will be furnished upon request. Terms: Cash with order or COD. Shipped prepaid if cash accompanies order; if shipped COD send two cents per chick with your order, balance due plus shipping charges when chicks arrive. Save shipping charges by sending cash with your order.

SPECIAL MATING: These are the finest chicks we handle. The flocks for these matings are headed by males from pedigreed and R.O.P. bloodlines, from some of the outstanding strains in this country. They are EXTRA QUALITY chicks from which you can expect extra fine results. They are the cheapest chicks in the long run, because of their high egg-laying ability.

NOTICE: on orders for less than 100 Day-old Chicks, add one cent per chick. Prices are subject to change without notice. We guarantee 100% delivery

START CHICKS RIGHT -- Feed CHICK STARTENA. Be sure to order Purina Chick Startena with your chicks. Two pounds per chick is all that you will need.

During the first critical month help protect your chicks against disease and infectious colds by using Purina Chek-R-Tabs in their drinking water.
